

# *St. Peter's National School Drogheda*

Principal:  
*Ms. Geraldine McKenna*

## **Agreed report to parents**

### **Board of Management meeting of St. Peter's National School**

**5<sup>th</sup> March 2024.**

Holidays for 2024/2025 have been agreed by the Board and are attached to this document and published on our website.

The Board wishes to congratulate the Senior Girls Football team on their fabulous successes and are very proud of the manner in which they have represented the school both on and off the pitch.

The application process for admission to St. Peter's in 2024 is now complete. Places in our Junior Infants class will be offered to those who applied over the next week. Applications greatly exceeded the number of places available and the Board would like to thank all those who applied.

The Board are delighted that children are being provided with super opportunities such as tours, a visit to cathedral in Armagh, chess tournaments, engineers and archaeologist visits. It is fantastic that children in the school will be able to avail of hot lunches from after Easter.
